Dear Richard,

### Letter of Recognition for Pearson's BTECs in Construction & the Built Environment

We are the Construction Industry Training Board (CITB) and a partner in the Sector Skills Council for the construction industry in England, Scotland and Wales. It's our job to work with industry to encourage training, which helps build a safe, professional and fully qualified workforce.

CITB works with the industry and its clients to ensure the construction sector has the right skills, in the right place, at the right time.

CITB recognises the below qualifications as being fit for purpose in preparing Pearson's international learners for a role in the construction industry.

Pearson BTEC Level 4 HNC Diploma in Construction and the Built Environment (QN: 500/8276/0)  
Pearson BTEC Level 5 HND Diploma in Construction and the Built Environment (QN: 500/8274/7)  
Pearson BTEC Level 3 Certificate in Construction and the Built Environment (QN: 500/7138/5)  
Pearson BTEC Level 3 Subsidiary Diploma in Construction and the Built Environment (QN: 500/7140/3)  
Pearson BTEC Level 3 90-credit Diploma in Construction and the Built Environment (QN/601/1095/8)  
Pearson BTEC Level 3 Diploma in Construction and the Built Environment (QN: 500/7137/3)  
Pearson BTEC Level 3 Extended Diploma in Construction and the Built Environment (QCF) (QN: 500/7139/7)

The qualifications will support learners to progress to employment or within employment in a wide range of job roles across industry, specifically:

Qualification Name	Job Role(s)
BTEC Level 4 HNC Certificate in Construction and the Built Environment	Building Services Engineering - Civil Engineering - Railway Track Engineering
BTEC Level 5 HND Diploma in Construction and the Built Environment	Building and Surveying Technician - Building Services Engineering Technician - Civil Engineering Technician
BTEC Level 3 Certificate in Construction and the Built Environment	Preparation for employment, apprenticeships or further training – this qualification will give students an advantage when applying for related jobs.
BTEC Level 3 Subsidiary Diploma in Construction and the Built Environment	Preparation for employment, apprenticeships or further training – this qualification will give students an advantage when applying for related jobs.
BTEC Level 3 90-credit Diploma in Construction and the Built Environment	Preparation for employment, apprenticeships or further training – this qualification will give students an advantage when applying for related jobs.
BTEC Level 3 Diploma in Construction and the Built Environment	Preparation for employment, apprenticeships or further training – this qualification will give students an advantage when applying for related jobs.
BTEC Level 3 Extended Diploma in Construction and the Built Environment	Preparation for employment, apprenticeships or further training – this qualification will give students an advantage when applying for related jobs.

Cont.....

For such roles, we believe that these qualifications provide an appropriate level of knowledge and skills, meeting the needs of the business and the individual, ensuring employees are appropriately skilled for the job and able to deliver to the standard that the sector expects.

These qualifications will also support the individual, should they chose to progress in to further training.

CITB is happy for its name, logo and web address to be made available on the Pearson website to confirm that we recognise the qualifications.

Yours sincerely

Tom Gibney
