Dear Richard

Letter of Recognition for Pearson BTEC Higher Nationals in Construction & the Built Environment

VINCI Construction UK is a national construction and facilities company and is the largest British subsidiary of VINCI. VINCI Construction UK has strong relationships with other VINCI companies and subsidiaries and, thus, can leverage ideas, skills and entrepreneurial flair to deliver top-quality work in all sectors. VINCI employs around 185,000 people in 100 countries around the world.

VINCI Construction UK recognises the below qualifications as being fit for purpose in preparing Pearson's international learners for a role in the Construction sector.

Pearson BTEC Level 4 Higher National Certificate in Construction and the Built Environment (QN: 603/0465/0)

Pearson BTEC Level 5 Higher National Diploma in Construction and the Built Environment (QN: 603/0464/9)

The qualifications will support learners to progress to employment or within employment in a wide range of job roles across the sector, specifically:

Qualification Name	Job Role(s)
HNC in Construction & the Built Environment	Estimator / Quantity Surveyor
	Facilities Assistant
	Site Supervisor
HND in Construction & the Built Environment	Site Manager
	Assistant Engineer

For such roles, we believe that these qualifications provide an appropriate level of knowledge and skills, meeting the needs of the business and the individual, ensuring employees are appropriately skilled for the job and able to deliver to the standard that the sector expects.

These qualifications will also support the individual, should they chose to progress in to further training.
